JUNIOR TENNIS PROGRAMME SPRING 2023 – 10 WEEKS

Details of our 10-week spring junior term time programme are listed below and all places should be booked on our on-line booking system. Click on the link below and scroll down for the course you are looking for. There will be a limit on the number accepted for each session so it is advisable to apply in good time to be sure of a space. All red mini sessions will take place indoors but orange, green and yellow ball sessions will be outdoors on the two floodlit clay courts below the indoor centre. Final joining instructions will be sent by email to you prior to the start date. Do note the ages given are for guidance only and children should move up to the next stage when they have the skills to do so. **One** additional session will be added on at the end of term should one or more sessions have to be cancelled. Should a session get disrupted through exceptional severe weather during the session then an indoor tennis related activity – quiz – may be organised by the coaches. There is never any guarantee that an indoor court would be available
