JUNIOR TENNIS PROGRAMME SUMMER TERM 2026– 11 WEEKS

Details of our junior 11 week summer term time program are listed below and all places should be booked on our on-line booking system. Click on the link below and then scroll down for the course you are looking for. There will be a limit on the numbers accepted for each session, so it is advisable to apply in good time to be sure of a space. All blue/red mini sessions will take place on the indoor tennis courts but orange, green and yellow ball sessions will be outdoors on the two floodlit clay courts below the indoor tennis courts or on the top floodlit acrylic and astro courts. Final joining instructions will be sent prior to the start date. Please note the ages given are for guidance only and children should move up to the next stage when they have the skills to do so. **ONE** additional session will be added on at the end of term should one or more sessions have to be cancelled. Should a session get disrupted through exceptionally severe weather during the session then an indoor tennis-related activity will be organised by the coaches. There is never any guarantee that an indoor court would be available.

BLUE/RED MINI TENNIS 4-8 years

Regular attenders are welcome to bring a friend to try tennis. All we need is their name and date of birth and if they enjoy tennis, they can then sign up online from the second week and the fee will reflect the free session. (This offer is only applicable to children who have not attended before)
